SACRAMENTO – Experience the Governor's Mansion State Historic Park in a whole new light with "Mansion After Dark." During this 'lights out' adventure, be prepared for bats, pumpkins, and Halloween ghost tales in the dark.

"Mansion After Dark" tours at the Governor's Mansion SHP gives families a fun alternative to the usual haunted house. If gore and fright just isn't for you, join the Mansion docents dressed in traditional Halloween costumes and listen to their tales from the ... past.

Come as one of your most beloved historical figures, in your favorite haunting attire, or just as yourself. Have your future told by a clairvoyant or sit on hay bales in the

dark as a storyteller reads from spooky children's classics. The mansion will be decorated for the harvest season to complement the darkened rooms for the tour.

*Assignment Editor's Note:* Costumed docents are available for on-air interviews.
